Hello Timothy - 

9-29-84

It's been some time since our life paths have crossed. Martin & I returned here to Philadelphia last November for a variety of reasons.

Martin has been in Ireland since July. He has begun writing fiction - somewhat like Chandler/Hammett/Wilson/Stein. He's had a lot of contact w/ Bob + Allen who are both doing well. I am representing Allen in the sale of a play she's written on the themes of women, birth control, abortion, theatre. Interesting flip flops through space-time + some powerfully conceived imagery.

I am in school studying filmmaking, television (COMMERCIAL)
(4 FILMS) production + American Sign Language. I did a small bit
(INTERPRETER PROG)

of theatrical directing in San Francisco before we left. The original shows including both hearing + hearing impaired performers. I've become fascinated with sign as a form of artistic expression.

Dear Gengle's new book has just become available The Netweaver's Sourcebook published by Addison-Wesley. It's "a Guide to Micro Networking and Communications". I think you'd find it interesting.

I was pleased + surprised to hear you'll be in Philadelphia for the Yoga Conference. I will not be able to attend; Martin will be back from Ireland 10-1-84. We would be pleased to have you visit if you are able.
Good luck w/ the conference
